

General Safety Quiz

Started: Sep 7 at 9:43pm

Quiz Instructions

You must pass this quiz with a 90% score in two attempts. A few questions do have more than one correct answer, ensure you select all correct answers. If you fail to pass the quiz with a 90% you will have email [SDELC@mst.edu \(mailto:SDELC@mst.edu\)](mailto:SDELC@mst.edu) in order to have your class reset.

There is ONE MORE QUIZ following this final that must be completed before the class is complete.

Good Luck.
